

PARENT VOLUNTEER INFORMATION

We rely on volunteers to perform various tasks throughout the year. We have opportunities for year-long as well as short term projects. Please let us know how you would like to help the school this year. When you volunteer, you help us keep tuition low. Being involved in the school helps our teachers and students, and helps parents stay informed about their child's educational experience.

Special Events Help

We need a list of parents willing to help set up before and clean up after our special events, such as the harvest party, music programs and potluck dinners. We will rotate volunteers and shifts, so you will not have to help at every event.

I can help with setup

I can help with cleanup

I can help with either

I can help with both
